It is agreed by both parties that:

A. USE OF DOG

It is agreed between Breeder and Buyer that this dog is being acquired as a family companion dog or for a working dog to be used for tasks appropriate to its breed such as therapy dog or for exhibition in AKC conformation, obedience, or agility competition. Buyer agrees that the dog/bitch will never be used or trained for activities which are illegal or it will not be used as a guard or attack dog or to hunt or fight other animals.

The Buyer agrees that he/she will not sell, transfer ownership or possession of the mastiff or any of his/her progeny to any person or organization whose intent it is to resell (pet store), trade, or give away the dog, or use it in any experiments, laboratory or otherwise or to use it as breeding stock for a puppy mill.

B. HEALTH AND GUARANTEE

The Breeder warrants the mastiff to be in excellent health, including vaccinations at 6 weeks of age and has been dewormed on a regular basis. The breeders' veterinarian has made a final health check and a current health certificate is included in your new puppy packet. It is recommended that additional vaccinations be given at your vet's discretion, including annual booster immunizations.

It is recommended by the Breeder that the Buyer take the mastiff to a Veterinarian of his/her choice within three days from the date of delivery of the mastiff. If, within those three days, a veterinarian finds the mastiff to be unhealthy, or possessing a serious genetic defect, a statement in writing must be provided to the Breeder by that veterinarian documenting said condition for Breeders' veterinarian to review. Upon confirmation from Breeders' vet of said condition, Buyer may return the mastiff, registration and all of his/her effects to the Breeder and receive a full, immediate refund of the purchase price. All transportation costs involved are the responsibility of the Buyer.

This mastiff is guaranteed against bi/lateral severe genetic hip dysplasia through the age of 24 months. If a mastiff is thought to have a genetic defect, hip X-rays must be taken per The Orthopedic Foundation for Animals (OFA) recommendations and submitted to OFA. Mastiff must be micro-chipped and DNA'ed. Copies of OFA findings must be submitted to the breeder. Defects must be proven to be genetic and not caused by environmental factors or mishandling by the buyer. If severe hip dysplasia is observed, the buyer must show proof that mastiff is spayed or neutered and may obtain a replacement mastiff, when available, from breeder at 50% off of the original selling price, or at the breeder's discretion, upon return of the above named dog/bitch, the seller will replace the dog/bitch with another dog/bitch. Buyer is responsible for transportation costs from breeder on the replacement mastiff.

C. REGISTRATION

The Breeder certifies that the Mastiff can be registered under the Regulations of the American Kennel Club as a purebred Mastiff and will provide the proper forms for transfer of ownership as specified in the contract.

D BUYERS RESPONSIBILITIES

The Buyer agrees to maintain the dog in a humane environment and properly train and care for it. It is the Buyer's responsibility to prevent illness and injury with proper veterinary care, vaccinations, proper nutrition, fresh water, shelter, training and supervision. The dog will not be allowed to roam and will be socialized and obedience trained appropriately.

The Buyer agrees that this mastiff will not be raised on slippery surfaces, not be allowed to bound up and down stairs, rough-house with larger dogs, jump down from heights or out of cars, etc, as this type of activity will contribute to the breakdown of joints, growing bones, dislocation of shoulders, hips and damaged elbows.

The Buyer further agrees that the mastiff's weight will be under strict supervision until the dog reaches his/her second birthday. Any excess weight contributes to structural breakdown of the dog. Buyer also agrees nothing will be given to the dog that would encourage rapid growth including steroids, nutritional supplements, and anything that promotes rapid weight gain.
(Glucosamine/Chondroitin sulfate supplements and Vitamin C excluded)

The puppy buyer agrees that all disagreements arising from the breeding will be handled in a private, confidential manner.
